Please try to access the information from the [Home Page](#) or the [Site Map](#) or use the information provided below.

HOW DO I FIND...?

Funding Opportunities

Funding Opportunities (including program announcements and solicitations) can be reached from the [Funding](#) link in the top navigation bar. The main Funding page has new features, including an [A-Z Index](#) and an [Advanced Funding Search](#).

Deadline and Target Dates

Proposal deadlines and target dates are available in the Funding section on the [Upcoming Due Dates](#) page. They are also listed on the [Events Calendar](#) and the Funding Opportunities sections in each [Program Area/Directorate](#).

Directorate and Division Home Pages

The quickest way to access these pages is to use the Program Areas drop-down list in the green box on the home page. You may also click the green [Research and Education Community](#) button on the NSF home page.

NSF Offices

NSF Offices can be accessed from the NSF Organizations drop-down list in the home page left column, and from the [Staff Directory](#).

Forms

Forms can be found in the [Publications](#) section reached from the top navigation bar.

Glossary

The [Glossary](#) page provides definitions for many commonly used terms and acronyms.

NSF Budget

Look under [Budget](#) on the [About NSF](#) page.

Policy and Legislative Information

Look under [NSF & Congress](#) on the [About NSF](#) page.

MyNSF (formerly the Custom News Service)

The Custom News Service is now called [MyNSF](#), and can be reached from the home page left column. This feature allows you to sign up for email and RSS notifications of new NSF funding opportunities, news and more.

Results of NSF Research

Results of NSF research can be found in the Discoveries section reached from the [Discoveries](#) link in the top navigation bar.

Educational Materials

Educational opportunities can be found using the Specialized Information for drop-down list in the green box on the home page and in the NSF Educational Opportunities by Audience section on each division home page. [Classroom Resources](#) can be reached from the right column of the home page.

Jobs

Look under [Career Opportunities](#) on the [About](#) page.
