

Lorne Infection & Immunity Conference 2012

[作者: 佚名 来源: 本站原创 点击数: 385 更新时间: 2011-12-5 文章编辑: linnan]

[减小字体](#) [增大字体](#)

The Lorne Infection and Immunity Conference aims to bring together scientists, clinicians and students from multiple disciplines with a shared interest in infection and immunity research and industry.

Confirmed Speakers:

International:

Christine Biron, USA
Christian Doerig, Switzerland
Jost Enninga, France
Reuben Harris, USA
Jean Langhorne, UK
Trevor Lawley, UK
Luke O' Neill, Ireland
Chihiro Sasakawa, Japan
Cameron Simmons, Vietnam
Vanessa Sperandio, USA
Hong Tang, China

National:

Nick Anstey, NT
Andrew Brooks, VIC
Matthew Cooper, QLD
Ben Croker, VIC
Katharina Gaus, NSW
Margaret Hellard, VIC
David Jans, VIC
Alexander Khromykh, QLD
Scott Mueller, VIC
James Paton, SA
Matt Sweet, QLD
Stephen Turner, VIC
Jose Villadangos, VIC
Mark Walker, QLD
Christine Wells, QLD

Themes Include:

Clinical/Translational Research
Imaging Host-Pathogen Interactions
Microbial Pathogenesis
Adaptive Immunity to Infection
Emerging Infectious Diseases
Innate Immunity to Infection
Systems Biology in Infection and Immunity

Deadlines:

Early Bird Registration
Extended until: 25/11/11

Poster Abstract Submission:
9/12/11

Lorne Infection & Immunity Conference 2012
15-17 February, Mantra Erskine
