

**Professor Muthita Trakultivakorn,  
MD**

President of Allergy, Asthma and Immunology Association of  
Thailand (AAIAT)

Dear Friends and Colleagues in Immunology,

On behalf of Allergy, Asthma and Immunology Association of Thailand (AAIAT), I would like to invite FIMSA Congress under the theme "Crosstalk between Innate and Adaptive Immunity in Health and Disease". As the current president of AAIAT, I am delighted to welcome you to Bangkok in November 2018. The exciting programs with many world-renowned immunologists are set to entertain participants with cutting edge immunology research.

This Congress will mark the second time AAIAT is honored to host the FIMSA Congress. We hope it will be as exciting and stimulating meeting as the past conferences were for local and overseas delegates in the field of immunology and related areas. Bangkok is a brilliant metropolitan, rich in culture and vibrant with its landscape. Therefore, we extend a warm invitation to everyone to come and join FIMSA2018 with us. We are welcoming you to FIMSA2018 in November 2018.

**Tanapat Palaga, PhD**  
Chair, FIMSA2018 Organizing Committee

Dear Colleagues,

I would like to invite you to FIMSA2018, an international conference co-organized by the Federation of Societies of Asia-Oceania (FIMSA) and the Allergy, Asthma and Immunology Association of Thailand (AAIAT). This congress is one of the major conferences on immunology and related fields in the region of Asia and Oceania, organized by the FIMSA member countries. AAIAT is honored to host the next congress in Bangkok, Thailand. We have a scientific program highlighted by world-renowned immunologists as invited speakers. We hope that this congress will be a forum for young immunologists to interact with fellow immunologists and listen to a cutting edge research. At FIMSA2018, the conference will focus on the crosstalk between innate and adaptive immunity that we know is so important for the most efficient immune response. Besides the scientific program, participants will enjoy the beautiful city that has the reputation as the top tourist destination. We expect to have large attendees as previous FIMSA congresses over the world. On behalf of the organizing committee, we look forward to seeing you in November 2018.

## **i** Important Date

Early bird registration:	January 2018 – 31 August 2018
Regular registration:	1 September 2018 – 10 October 2018
Abstract submission:	until 30 June 2018
Notification of abstract acceptance:	July 2018
Notification of travel award winner :	July 2018
Author Registration and payment:	15 August 2018
Late breaking abstract:	1-15 October 2018
