Table with multiple columns containing alphanumeric characters, symbols, and some text. The content is dense and appears to be a complex data set or a specific type of code. The table is organized into several horizontal sections, with some rows containing more detailed text or symbols than others. The overall structure is that of a large, multi-row data table.

Table with multiple columns containing alphanumeric characters, symbols, and some text. The content is highly repetitive and appears to be a complex data set or a specific type of code. The table is organized into several horizontal sections, with some rows containing more detailed text or symbols than others. The overall structure is dense and complex, with many rows and columns of data.

Table with multiple rows and columns containing alphanumeric characters, symbols, and some Chinese characters. The content is highly repetitive and appears to be a complex data set or a specific type of code. The table is organized into several distinct sections, each with its own set of headers and data points. The characters are a mix of Latin letters, numbers, and symbols, with some Chinese characters interspersed. The overall structure is that of a large, multi-column grid.
