We look forward to seeing you!

The Resource Centre aims to increase knowledge and scholarship on issues of sexuality, sexual health and sexual well being in this region. The Resource Centre specifically focuses on sexuality related work in China, India, Indonesia, Nepal, Sri Lanka, Thailand, The Philippines, and Vietnam. The Centre serves as space for activists, advocates, practitioners, and researchers, to better understand, examine, and expand upon the complex issues surrounding debates on sexuality.

The Resource Centre has been established in 2003. The library houses over 3000 books, and several international journals, magazines, and CDs. It is our hope that you will be able to find the Centre useful as a resource to support your ongoing work in the field of sexuality.
