

UN Secretary-General's progress report on AIDS

Ahead of the high-level meeting on AIDS, that will take place in New York on 10 - 11 June, the United Nations Secretary General Ban Ki-moon has submitted a comprehensive report on the progress made in implementing the 2001 Declaration of Commitment on HIV/AIDS and the 2006 Political Declaration on HIV/AIDS for consideration by Member States. The report is based on the country progress reports that Member States submitted to UNAIDS by 31 January 2008.
