Tip of the Week

Feeling hot, hot, hot?

How hot it feels is a combination of humidity and temperature. Find out how the humidex rating can be used in your workplace. [\[More\]](#)

Headlines

[Archive](#)

[Occupational and Environmental Cancer e-course](#)
Free course for primary health care providers focuses on recognition and prevention

[New Office Health & Safety Guide](#)
142-pages of office-specific health & safety issues, hazards, preventive measures and ergonomics.
