Sport as a platform for values education

Ángel Acuña Delgado, Elena

Acuña Gómez

Abstract

Sport as a cultural fact, reflected
in it the characteristics of the

society in which it is immersed,
but at the same time constitutes
a tool with which to act on the
system, a vehicle of social
change capable of generating
attitudes and behaviors. To what
extent contributes or can sport
contributes to achieve an
education in values? This will be
the question to which we will try
