**MAY 18-24 2014** **TINNITUS AWARENESS WEEK 2014**

Raising awareness & building resources to **silence tinnitus.**

**The American Tinnitus Association – Committed to a Cure**

ATA is a global leader in the effort to find a cure for tinnitus. We bring together patients, researchers, healthcare professionals, industry partners and lawmakers to develop tinnitus management tools and fund vital tinnitus research. [Join ATA](#) to become a part of a community working together to silence tinnitus.

**Join ATA**

[Join a community](#) of tinnitus patients and advocates, working together to control and cure tinnitus. ATA has membership packages for [individuals](#), [healthcare professionals](#) and [industry partners](#).

**Manage Your Tinnitus**

ATA provides valuable resources to treat and manage your tinnitus. Search for [local tinnitus specialists](#) and find quality products in the [ATA store](#). [Members](#) get FREE access to online tinnitus management tools.

**Tinnitus Research**

For over 30 years, ATA has led the [search for a cure](#), lobbying the federal government for over \$10 million in annual tinnitus research and self-funding 100+ scientific studies. [Your donations](#) help fund more research.
