The Society was founded by Dr. Chandra P. Sharma with an inaugural address of Dr. RE Baier, Director, HIDI, SUNY, Buffalo, New York on January 24, 1986 at Biomedical Technology Wing of Sree Chitra Tirunal Institute for Medical Sciences & Technology, Trivandrum and was registered under the Travancore-Cochin Act XII of 1955, (being the act for registration of literary, scientific and charitable societies) with the following objectives. Society will cultivate an atmosphere nationwide for the growth of basic and technology oriented research in the area Biomaterials and Artificial Organs, and bring together the professionals from various faculties to improve the quality of their approach in future research.

8th World Biomaterials Congress
