

東南大學

生物科學與醫學工程學院

School of Biological Science & Medical Engineering, SEU

2009国际计算与系统生物学会会议 (ICCSB)

The International Conference on Computational and Systems Biology (ICCSB), to be held in Shanghai Oct. 9-11, 2009, is jointly sponsored by IEEE EMBS (Engineering in Medicine and Biology Society), IASIA (International Association of Scientists in the Interdisciplinary Areas), Shanghai Jiaotong University.

Topics

Systems biology
Structure and molecular modeling
Computational bio-nanoscience and bio-nanotechnology
Genomics, proteomics and metabolomics
Computational biology and environmental sciences

Important Dates

Paper submission starting from May 1, 2009
Final paper submission and authors' registration July 31, 2009
Conference Dates October 9-11, 2009

Proceeding

Of outstanding papers will be published in the Interdisciplinary Sciences: Computational Life Sciences and Molecular Simulations. Conference proceeding will be published by Springer.
Submit through online, subject to peer-reviewing;
Template file download: Word | LaTeX
