Quick Links

Guangzhao Mao, Professor

Education

Ph.D., Chemical Engineering
University of Minnesota
(Advisors: Prof. Matthew Tirrell and Prof. H. Ted Davis)
1994

Postdoctoral Associate, Materials Science
University of Minnesota
(Advisor: Prof. Michael D. Ward)
1995

B.Sc., Chemistry
Nanjing University, P. R. China
1988

Contact Information

Office: 1109 (Lab 2548, 2550, 2564, phone 7-5763) ENG

Appointments

2007 to present	Professor	Department of Chemical Engineering and Materials Science, WSU.
2001 to 2007	Associate Professor	Department of Chemical Engineering and Materials Science, WSU.
1995 to 2001	Assistant Professor	Department of Chemical Engineering and Materials Science, WSU.
2001 to present	Adjunct Professor	Department of Biomedical Engineering, WSU.
1997 to present	Director	Graduate Certificate Program in Polymer Engineering, WSU.
1994 to 1995	Postdoctoral Associate	University of Minnesota (Advisor: Prof. Michael D. Ward).
1989 to 1994	Ph.D. Student	Department of Chemical Engineering and Materials Science, University of Minnesota.

Awards and Honors

2008	Excellence in Teaching Award	College of Engineering, WSU.
2002	Fulbright Scholar	Department of State, USA.
2002	Visiting Professor	Max Planck Institute of Colloids and Interfaces, Germany.
1997	CAREER Award	National Science Foundation, USA.
