实施国际化推进战略率先建设国际一流科研机构

Building a World-class Research Institution by Implementing Internationalization Strategy

作者

国际合作局

中文关键词

科技全球化，国际化推进战略，国际一流科研机构

英文关键词

globalization of science and technology, internationalization strategy, world-class research institution

中文摘要

文章深入分析了中科院实施国际化推进战略的国际国内形势、背景、目的和意义，指出实施国际化推进战略是中科院积极应对科技全球化挑战、率先建设国际一流科研机构的需要；客观分析了中科院与国际一流科研机构之间的差距，系统阐述了具有中科院特色的国际化发展道路的指导思想、战略目标、基本思路、主要举措等内容。

英文摘要

After an in-depth analysis of both the international and domestic contexts under which CAS has implemented an internationalization accelerating strategy, the paper stresses that such a strategy is essential to addressing the science & technology globalization challenge and developing CAS into a world-class research institution. The paper also analyzes the gap between CAS and well-known international research institutions, and elaborates the guidelines, objectives, framework, and
