Editors

Editor-in-Chief: , Georgia State University
Editorial Board: Available at <http://www.misq.org/archivist/editor.html>

A peer reviewed scholarly journal, the editorial objective of the MIS Quarterly is the enhancement and communication of knowledge concerning the development of IT-based services, the management of IT resources, and the use, impact, and economics of IT with managerial, organizational, and societal implications. Professional issues affecting the IS field as a whole are also in the purview of the journal.

Current Issue: Volume 33, Issue 4 (2009)
