The 2nd IEEE International Conference on Emergency Management and Management Sciences (ICEMMS 2011) will be held on August 8~10, 2011 in Beijing, China. This conference will bring together the top researchers from Asian Pacific nations, North America, Europe and around the world to exchange their research results and address open issues in Management Sciences and Emergency Management.

It is one of the leading international conferences for presenting novel and fundamental advances in the fields of Emergency Management and Management Sciences . All submissions will be peer reviewed and evaluated based on originality, technical and/or research content/depth, correctness, relevance to conference, contributions, and readability. Submissions will be chosen based on technical merit, interest, applicability, and how well they fit a coherent and balanced technical program.

**All accepted papers must be written in English and will be published in the conference proceeding by IEEE, which will be included in the IEEE Xplore, and indexed by EI Compindex and ISI Proceeding(ISTP).**
