AIMA, the Alternative Investment Management Association, is the hedge fund industry's global, not-for-profit trade association with over 1,100 corporate members worldwide.

Members include leading hedge fund managers, fund of hedge funds managers, prime brokers, legal and accounting services and fund administrators. They all benefit from AIMA's active influence in policy development, its leadership in industry initiatives, including education and sound practice manuals and its excellent reputation with regulators.

AIMA is a dynamic organisation that reflects its membership's interests and provides them with a vibrant global network. AIMA is committed to developing industry skills and education standards, and is a co-founder of the Chartered Alternative Investment Analyst designation (CAIA) - the industry's first and only specialised educational standard for alternative investment specialists.
