The Message from Massachusetts, The Latest "Pulling It Together, From Drew Altman"

In his latest column, the Kaiser Family Foundation's President and CEO examines what the message from the Massachusetts special election is for the health care debate based on the results of the Foundation's [recent post-election poll](#) with The *Washington Post* and the Harvard School of Public Health.

Analysis Examines Trends In Medicare Advantage Plan Benefits and Cost-Sharing
This new analysis highlights some of the wide variations in Medicare Advantage plan benefits and cost-sharing requirements, including a look at the rising cost-sharing for some benefits and the availability of drug coverage in the Medicare drug benefit's "doughnut hole."

Health Reform Side-by-Side Now Reflects Senate Bill As Passed
The Foundation has updated its interactive [side-by-side health reform](#) comparison tool to reflect the Senate bill as passed by the full Senate on Dec. 24. A separate [interactive calculator](#) helps to illustrate what assistance the uninsured would get with premiums under the House and Senate reform plans.
