中文摘要:

典籍博物馆的概念有广义和狭义两种,本文主要从狭义方面对典籍博物馆的概念、功能、与图书馆的关系以及要图书馆设立典籍意义进行了探讨内容。典籍博物馆与图书馆有着深厚的历史渊源,现实也有共同的基本元素和相似的功能。典籍博物馆在汇聚典籍精会大众、提升图书馆精神价值方面具有重要意义。对典籍博物馆的规划建设,需秉持因地制宜,继承传统,发挥专长,办出特色的原则。设立典籍博物馆,既可作为实体,也可作为理念,强调以典籍博物馆功能在图书馆内实现为目的的原则。在此基础上,探讨了国家典籍博规划。参考文献14。

英文摘要:

There are two kinds of concepts of museum of ancient books and records in broad and narrow senses. This paper discusse concept and function of this museum, its relationship with the library and the significance of establishingthis museum in the librar narrow sense. There is a deep historical origin between this museum and the library, and theyshare same basic elements and si features in the reality. This museum is of great impotence in collecting classics, providing social services and enhancing spiritua the library. As for the planning for this museum, this paper puts forththat building this museum needs to uphold the principles of local conditions, inheriting the traditions, giving fullplay to its unique strengths and achieving its own characteristics. It is necessa to establish this museum in the library as an entity, but also to accomplish the idea of realizing the functions of this museum in th On this basis, thispaper explores the preliminary planning for national museum of ancient books and records. 14 refs.
