以中小学图书馆与城市少儿馆结合优化教育资源配置

李丽 (大连市少年儿童图书馆 辽宁116011)

文 摘 城市公共少年儿童图书馆与中小学图书馆有紧密的业务关系, 两者密切结合是我国推进全面素质教育的客观要求。城市公共少年儿童图书馆隶属文化系统从体制上割裂了其与中小学图书馆的业务联系, 影响了其教育功能的发挥。城市少儿馆归属教育系统既有利于对中小学生的全面素质教育, 又有利于自身的发展。

关键字 少年儿童图书馆 馆校结合 隶属关系 改革

Abstract: Urban public children libraries have close connections with school libraries today. Integration of the two becomes the objective requirement of promoting all-round quality-oriented education in the country. The fact that urban public children libraries come under the city cultural sectors structurally disservices their connections with school libraries, and becomes an obstacle in giving full play to their educational function. The assumption that urban children libraries come under the municipal educational bureaus will do favor to both all-round quality-oriented education for children and library development in the country.

Keywords: Children library, School library, Integration, Affiliation, Reform
