关键字 图书馆 职业资格 体制缺陷 人事管理

Librarians' Professional Certificate of Qualification:
Suggestions and Obstruction from the Existing System
ZHANG Huizhen (Hebei Normal University Library, Shijiazhuang 050016)

Abstract: This paper summarizes the views on the establishment of librarians' professional certificate of qualification in recent years. It discusses the problems existing in the current library system in China. It also gives a positive appraisal of some patterns of human resource management in academic libraries.

Keywords: Library, Professional qualification, System defect, Personnel management
