On the Occupation of Employed Transcription in the Six
Dynasties

Chen Dedi (Academic Institute of Chinese Ancient Books, School of History, Nankai University 300071)

Abstract: There was a flourish in the occupation of employed transcription in the Six Dynasties. It produced a great deal of books for the society, promoted the development of culture, education, and national culture exchange, cultivated a number of talents, as well as accelerated amalgamation among nationalities. As a result, this commercial activity brought tremendous contribution to the society.

Keywords: the Six Dynasties, occupation of employed transcription, book industry
