##### ***River Research and Applications***

##### **Best Poster Award**

##### **Winner**

*River Research and Applications* is pleased to announce that the winner of their Best Poster Award is **Pan Yang** for the poster titled:

Evaluating flow regime alteration: a new method incorporating frequency distribution and temporal order of hydrological parameters.

##### **Runner Up**

The Best Poster Award Runner up is **Xiaomei Shen** for the poster titled:

Effects of water and sediment regulation on net ecosystem metabolism in the Yellow River estuary.

Congratulations to Yang Pan and Xiaomei Shen.
