

# Water Policy

Official Journal of the [World Water Council](#)

ISI Journal Impact Factor increase for 2012: 1.603

**Editor in Chief:** J. Delli Priscoli, US Army Corps of Engineers, Institute for Water Resources, USA

## Note to authors:

All papers should be submitted electronically to <https://www.editorialmanager.com/wpol/>

## IWA Publishing Open

IWA Publishing Open is a new service which gives authors the option of having their accepted paper made freely available online immediately on publication. [Click here](#) to find out more about IWA Publishing Open.

## Most Accessed Papers

A list of the top 10 downloaded papers from 2009 is available on our Most Accessed Papers page; the top paper is free to view.

## Acknowledgement to Reviewers

The high scientific standards maintained by the journal in its papers owe much to the continuing dedication of the journal's reviewers, who give freely of their time and expertise. IWA is pleased to pay tribute to this contribution by recognizing those who have participated in the review process. A full list of those who reviewed papers for the journal last year can be found [here](#).

*Water Policy* publishes analyses, reviews and debates on all policy aspects of water resources. Examples of such topics are:

- Ecosystems, engineering, management and restoration
- Engineering and design
- River-basin and watershed management
- Multiple uses of water
- Pollution monitoring and control
- Management, use and sharing of trans-boundary waters, treaties and allocation agreements
- Capacity building
- Flood control and disaster management
- Groundwater remediation and the conjunctive use of groundwater and surface water
- Public participation, consensus building and confidence building
- Conflict management and negotiations of water resources
- Demand management
- Commercialization of water
- Integrated water resources management
- Allocation of risks among stakeholders

*Water Policy* publishes reviews, research papers and progress reports in, among others, the following areas: financial, diplomatic, organizational, legal, administrative and research; organized by country, region or river basin.

*Water Policy* also publishes reviews of books and grey literature. Material for review should be sent directly to the Associate Editor for Book and Grey Literature Review, Bruce P. Hooper (see the [Editorial Board](#) for contact details).
