2007-6-21, Evening			S13: In memory of Prof. Jin Yugan (Drink and food are available); Business meeting of Subcommittee on Permian Stratigraphy						
2007-6-22, morning			19	S1: Late Paleozoic Floras as Proxies for Climatic Change. 3 key notes (KNs)	14	S2: Carboniferous and Permian Macro-and microfossils; Integrative Stratigraphy and High Resolution Biostratigraphy. 2 KNs	12	S9: End-Permian Biotic Mass Extinction and Early-Triassic Recovery. 2 KNs	Workshops, Microscope Room for the boundary task groups, SCCS and IPS.
2007-6-22, afternoon									
16:00-18:00							Reports of SCCS boundary task groups		
2007-6-22, evening	Banquet								
2007-6-23, morning			11	S6: Isotopic Geochemistry and Geobiology in the Permo-Carboniferous 2 KNs	17	S3: Stratotypes, Boundaries, and Global Correlations. 3 KNs	8+7	S5: Evolutionary Palaeogeography and Palaeoclimatology; Pangea formation and breakup. 1 KN	Workshops, Microscope Room for the boundary task groups, SCCS and IPS.
2007-6-23, afternoon			90 th anniversary for Prof. Li Xingxue						
16:00-18:00							Official SCCS meeting		
19:30-21:30					Short Course of PaleoStrata		Business meeting of Permanent Committee of ICCP		
2007-6-24, morning			7	S10: Cyclothems and Sequence-Stratigraphy. 2KNs;	8	S4: Carboniferous and Permian Reefs, Biofacies, and Basin Analysis. 2 KNs	6+3	S11: Carboniferous-Permian non-marine-marine correlations. 1 KN S8: Bio-Diversity Patterns and Quantitative Analysis of Biotic Databases; Computerized Palaeontology. 1 KN	
2007-6-24, 14:00-16:00					Geosystem meeting by Rich Lane; Short Course of Palaeostrata				
07-6-24, 16:00-17:00	Closing Ceremony
