In the paper "Introduction: European Integrated Project on Aerosol Cloud Climate and Air Quality interactions (EU-CAARI) – integrating aerosol research from nano to global scales" by M. Kulmala et al. (Atmos. Chem. Phys., 9, 2825– 2841, 2009) errors have occurred in the final production process, for which the authors express genuine regret:

- In the list of the named authors on the title page "J.-L. Brenquier" should be "J.-L. Brenguier".
- In Sect. 1, the correct title of this section should be: "Background".
- In Appendix A, item 3.3, the correct organization behind the leader's name should be as follows: "EC-DG JRC".

*Correspondence to:* M. Kulmala (markku.kulmala@helsinki.fi)

- In Appendix A, item 5.1, the correct organization behind the leader's name should be as follows: "met.no".
- Moreover, the Table B presented in Appendix B in the so called "Final Revised Paper" should be substituted with the following one:

Published by Copernicus Publications on behalf of the European Geosciences Union.

Table B. EUCAAR	I partners.
