

分2 无线电能传输关键技术与应用学术研讨会

The International Symposium on Wireless Power Transmission Key Technology and Applications

Organizer: China Electrotechnical Society(CES)

Co-organizer: Harbin Institute of Technology (HIT)

302 Design Institute

Haier Group

Editorial Board of Transactions of China Electrotechnical Society

Tianjin Polytechnic University (TJPU)

Southeast University (SEU)

Chongqing University(CQU)

Chairman: *Zhu Chunbo* (Professor, HIT, China)

Chunting Chris Mi (Professor, University of Michigan-Dearborn, USA)

Chairman of Academic Committee:

Yang Qingxin (President, TJPU, China)

The Members : *Chen Qianhong Chen Wei Chen Xiyou Cui Yulong Gong Xiaopeng Guo Wei Huang Xueliang Li Dan Li Yunhui Liu Guoqiang Lu Rengui Ma Hao Ren Zhuoxiang Sun Yue Su Yugang Wang Yaonan Wang Jianqiang Xu Guizhi Xu Xiao Yu Xinjie Yang Shiyou Yuan Shun Zhang Bo Zhao Zhengming Zhou Zhigang*

PROGRAM

May.25 **Guiyang Ecological International Convention Center**
08:30-12:10 **Delegates attend the 15th annual conference of Science and Technology of China**

12:30-13:30 **Luncheon A Banquet Hall, Guilv Hotel**

May.25 **Guiyang Ecological International Convention Center**
14:00-14:30 **Opening Ceremony**

Chair:

Yu Xijie (Professor, Tsinghua University, China)

Opening address

1. *Zhu Chunbo* (Professor, HIT, China)

2. *Yang Qingxin* (Vice-President of CES, President of TJPU, China)

3. *Bao Bing* (Director, 302 Design Institute, China)

14:30-15:50 Keynote Speech 1 (Report: 40mins)

1. Wireless Charging of Electric Vehicle Batteries for Economic and Safe Future Transportation

Chunting Chris Mi (Professor, University of Michigan-Dearborn, USA)

2. Harvesting Energy and Wireless Control of Implantable Medical Devices

Mohamad Sawan (Professor, Polytechnique Montreal, Canada)

15:50-16:20 Tea Break, Take Photos

16:20-18:00 Oral Session 1 (Report: 15mins, Questions: 5mins)

Chair:

Sun Yue (Professor, CQU, China)

18:00-19:30 Dinner A Banquet Hall, Guilv Hotel

May.26 A Conference Hall, Guilv Hotel

08:30-09:50 Keynote Speech 2 (Report:40mins)

Chair:

Huang Xueliang (Professor, Southeast University, China)

1. Industrial Development and Standard Setting for Wireless Power Transmission

Dr. Li Dan (Expert, Haier Group, China)

2. Progress in Microwave Power Transmission Technology

Yang Xuexia (Professor, Shanghai University, China)

09:50-10:00 Tea Break

10:00-12:10 Oral Session 2 (Report:15mins, Questions:5mins)

Chair:

Liu Guoqiang (Professor, Institute of Electrical Engineering, Chinese Academy of Sciences, China)

12:10-13:30 Luncheon A Banquet Hall, Guilv Hotel

May.26

14:00-15:30 No.2 Conference Room, Guilv Hotel

Poster Session

Chair:

Su Yugang (Professor, CQU, China)

Yang Shiyou (Professor, Zhejiang University, China)

15:30-17:30 A Conference Hall, Guilv Hotel

Oral Session 3 (Report: 15mins, Questions: 5mins)

Chair:

Zhang Bo (Professor, South China University of Technology, China)

17:30-18:00 Closing Ceremony

Chair:

Yang Qingxin (President, TJPU, China)

1. Chairman remarks for ISWPT2013

Zhu Chunbo (Professor, HIT, China)

2. Chairman remarks for ISWPT2014

Huang Xueliang (Professor, SEU, China)

18:00-19:30 Dinner A Banquet Hall, Guilv Hotel
