

International Association for the  
**PLANT PROTECTION SCIENCES**

## **NEWSLETTER**

Number XII

December, 2013

### **APPLICATION TO HOST THE XIX (2019) INTERNATIONAL PLANT PROTECTION CONGRESS (IPPC)**

#### **International Plant Protection Congresses**

The International Association for the Plant Protection Sciences (IAPPS), together with local organizations and societies, convenes the International Plant Protection Congress every 4 years. The next Congress is in Berlin, Germany in 2015:

[http://www.plantprotection.org/Meetings/InternationalCongress\(IPPC\)/XVIIIIPPC,Berlin,2427August2015.aspx](http://www.plantprotection.org/Meetings/InternationalCongress(IPPC)/XVIIIIPPC,Berlin,2427August2015.aspx)

We are now announcing the request for applications to host the XIX IPPC to be convened in 2019. For details regarding past congresses click the “Meetings” icon at: <http://www.plantprotection.org/>

#### **Making an Application**

Societies wishing to host IPPC-2019 should fill out the below guidelines (Application Form after the dotted line on the next page). The main items are the location, venue facilities and proposal for the Conference Convenor, Secretary and Treasurer.

#### **The important dates for an application to host this Congress are:**

**August 2014:** Applications due.

**September 1, 2014 - Nov. 30, 2014** Further discussions with applicants.

**Jan. 1, 2015** Decision made by IAPPS Board

**April 30, 2015** Formal agreement between IAPPS and the LCC.

#### **Possible Conference Dates**

The Conference is usually held in August. Please check for simultaneous congresses and avoid major conflicts.

---

## **Application Form to Host the IPPC-2019**

Please complete your application using these headings. Add any accompanying material, literally or as links, at the bottom.

### **Details of Proposed Site**

1. Year of Conference: 2019, time of conference
2. Member Society:
3. City:
4. Venue(s) (give address if possible):
5. How Accessible is it for wheelchairs.
6. Can all activities (conference, exhibition, etc.) be accommodated there?
7. Where is the venue located in relation to the city centre and the airport?
8. Details of breakout facilities
9. Area available for exhibition (in square meters)?

### **Accommodation Costs**

Number and categories of hotels, number of rooms and approximate room costs, location relative to the conference venue

1. Names of Congress Chair and Co-Chairs:
2. Composition of LCC (as far as possible):
3. What support will the Congress receive from the local country and/or town or city?
4. What is the local audience for this conference (both numbers and areas of interest)?
5. What tracks, invited speakers, or exhibitors might provide local interest?
6. What do you anticipate in terms of delegate numbers, fees charged for the conference, and expenses for the conference?

### **Financial Arrangements**

Will any other organization have financial involvement in the conference? If so, give details: Please discuss the sources of funding and financial models with the IAPPS Secretary General either before or soon after submitting a draft proposal.

### **Professional Conference Organizer (PCO)**

Please indicate the Professional Conference Organizer involved and the references of the PCO.

### **Other Relevant Details**

Please include any other details that you feel will support your application.

---

**Application submission**

Please submit your digital application to:

**Prof. E. A. “Short” Heinrichs**

Secretary General, IAPPS

**E-mail:** [ehenrichs2@unl.edu](mailto:ehenrichs2@unl.edu)

**19TH AUSTRALASIAN PLANT PATHOLOGY  
CONFERENCE**

The 19th Australasian Plant Pathology Conference (APPS Auckland 2013) will be held from 25-28 November 2013 in Auckland, a key hub of New Zealand's horticulture industry. The Conference will bring together scientists working in both basic and applied plant pathology research from New Zealand, Australia, Papua New Guinea and the rest of the world including Asia. Presentations will be made by international experts and emerging researchers covering topics including nematology, virology, mycology and bacteriology.
