Since 2012, The school of Biomedical Engineering at SJTU and KTH have launched summer school of biomedical engineering for 5 years involving almost 20 professors and 100 students from both universities. Every year we arrange projects, scientific research, hospital visit and cultural activities. 2017 summer school will be held in SJTU.

#### 1. Agenda

Dates	Activity	Location	Notes
Aug 21	Registration	China or Sweden	Till 17:00pm
Aug 21 17:00-18:00	Kicking Off Ceremony	China or Sweden	1. Project and Program Briefing 2. Meeting with Project Supervisors
Aug 21 18:00-19:00	Welcome Reception	China or Sweden	
Aug 22-25	Project Work in Lab under Supervision	With each lab	Each Project should submit an agenda of their own
Aug 26	Workshop Day		

Morning	Invited Talks (4-6 in total)	
9:00-9:30	Speaker 1 TBD	Title 1 TBD
9:30-10:00	Speaker 2 TBD	Title 2 TBD
10:00-10:20	Tea Break	
10:20-10:50	Speaker 3 TBD	Title 3 TBD
10:50-11:20	Speaker 4 TBD	Title 4 TBD
Lunch (11:30-13:00)		
Afternoon	Project Presentations 40" PPT+20min Q/A for Each Project	
13:00-14:00	Project 1 TBD	
14:00-15:00	Project 2 TBD	
15:00-15:30	Tea Break	
15:30-16:30	Project 3 TBD	

## 2.Application

The applicants have to email their CV to Ms. Shang Li at [shangli@sjtu.edu.cn](mailto:shangli@sjtu.edu.cn) before July 2.

## 3.Registration

It is free for the participants since they are SJTU and KTH students.

## 4.Scholarship and Certificates

School of Biomedical Engineering, SJTU will provide a certain number of scholarships, which will cover a part of the travel expenses. Application for scholarship should contact Ms. Shang Li at [shangli@sjtu.edu.cn](mailto:shangli@sjtu.edu.cn) before July 2.

## 5.Accommodation

SJTU will arrange the accommodation for KTH faculty and students.
