

Tuberculosis Drug Discovery & Development (GRS)

Gordon Research Seminar

From Bench to Bedside: Improving Tuberculosis Treatments from Discovery to the Clinic

Dates

June 24-25, 2017

Organizers

Chairs:

Joe Buonomo & Bryan Berube

Location

Renaissance Tuscany Il Ciocco
Lucca (Barga), Italy

Application Deadline

Applications for this meeting must be submitted by **May 27, 2017**. Please apply early, as some meetings become oversubscribed (full) before this deadline. If the meeting is oversubscribed, it will be stated here. *Note:* Applications for oversubscribed meetings will only be considered by the Conference Chair if more seats become available due to cancellations.

GRS Speaker Abstract Deadline: Although applications will be accepted until the date noted above, any applicants who wish to be considered for an oral presentation should submit their application by **March 24, 2017**. Please refer to the application instructions in the *Meeting Description* section below for more details (if available).

Meeting Description

Overview

The Gordon Research Seminar on Tuberculosis Drug Discovery and Development is a unique forum for graduate students, post-docs, and other scientists with comparable levels of experience and education to present and exchange new data and cutting edge ideas.

The focus of this meeting is to cover all aspects of TB drug development from bench to bedside: Identification of new drug targets, the development of new techniques to identify new drugs and screen for new drug targets, results from pre-clinical evaluation, and the clinical outcome of new drug and new combination therapies fighting *Mycobacterium tuberculosis* and its resistant forms.

Application Instructions

The meeting will feature approximately 10 talks and 2 poster sessions. All attendees are expected to actively participate in the GRS either by giving an oral presentation or presenting a poster. Therefore, all applications must include an abstract.

The Chairs will select speakers from abstracts submitted by **March 24, 2017**. Those applicants who are not chosen for talks and those who apply after the deadline to be considered for an oral presentation will be expected to present a poster. In order to participate, you must submit an application by the date indicated in the *Application Deadline* section above.

Program Format

Saturday

- Introductory Comments: 3:00 pm - 3:15 pm
- Introductory Science Session: 3:15 pm - 4:00 pm
- Poster Session I: 4:00 pm - 5:30 pm
- Evening Science Session: 5:30 pm - 7:30 pm
- Dinner: 8:00 pm

Sunday

- Breakfast: 7:30 am - 8:30 am
- Morning Science Session: 9:00 am - 11:00 am
- Poster Session II: 11:00 am - 12:30 pm
- Lunch: 12:30 pm - 1:30 pm
- Concluding Science Session: 1:30 pm - 2:30 pm
- Evaluation Period: 2:30 pm - 3:00 pm
- Program for related GRC begins: 6:00 pm

Related Meeting

 This GRS will be held in conjunction with the "**Tuberculosis Drug Discovery & Development**" **Gordon Research Conference (GRC)**. Those interested in attending both meetings must submit an application for the GRC in addition to an application for the GRS. Refer to the [associated GRC program page](#) for more information.

Preliminary Program Outline

An outline of the program components for this GRS is displayed below. The Conference Chair is currently developing their detailed program schedule, which will include the speakers they select from submitted abstracts, in addition to any additional components outlined below. The detailed program will be available by **April 24, 2017**. Please check back for updates.

Speakers

- *To Be Selected from Submitted Abstracts*

Discussion Leaders

- *To Be Selected from Submitted Abstracts*
